Directions:

From the *south* take the Cotati/Sebastopol exit off Hwy 101. From the *north* take the Sonoma/Sebastopol Hwy 12 exit off Hwy 101. Go west until you get to the first stop light in Sebastopol, where Hwy 12 becomes Bodega Highway. You see signs for Bodega Bay on the left. We are located off of Bodega Highway 3.5 miles west of Sebastopol. From Bodega Highway turn left onto Tilton Road (you will see a white painted fence on the left) and follow Tilton approximately 1 mile to where the hill crests. Turn right onto Falstaff Road and follow it until the driveways forks. Take the upper left paved driveway to the end of the road. We are located at the address 11114 Falstaff. There is also a map on our website.

Notes: We suggest you bring along a camera to capture your memories. We can take photos for an additional charge. We do require all participants to wear closed-toed shoes, and recommend boots and play clothes. For painting activities, we will provide shirts to help keep paint off your child's clothes. We recommend this basic party for eight, with one additional activity. Smaller groups will love more time and attention per person, as well as upgraded favors. Games/activities will be staffed during your booked party time. Most groups will have games going on simultaneously, while others are riding. We suggest no more than 3 participants waiting for a ride while others are involved in the games or activities.
